REQUEST FOR SUPPLEMENTAL NOTICE OF ALLOWABILITY

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants gratefully acknowledge receipt of the Notice of Allowance and Issue Fee Due mailed from the USPTO in the above-captioned application on April 17, 2006. However, in our review of the file, we noticed that the Examiner notes that Claims 1-25 have been allowed, but makes no mention of pending Claim 26. It is believed that Claim 26 should be included in the list of allowed claims because it is dependent from an allowed claim. Applicants hereby request the issuance of a Supplemental Notice of Allowability indicating the status of pending Claim 26 as allowed.

It is not believed that extensions of time are required, beyond those that may otherwise be provided for in accompanying documents. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of

time are hereby petitioned under 37 C.F.R. § 1.136(a), and the undersigned hereby authorizes any such charges to be charged to our deposit account 50-2821.

Respectfully submitted,

By:
